SPRING 2020

COLOR IS THE ANSWER

O·P·I

Experience the eclectic colors

of the world's most thriving art scene – **Ciudad de Mexico (CDMX)** – for Spring 2020 with the Mexico City Collection by OPI. The 12 Mexico City Collection shades draw inspiration from the city's vibrant art and fashion scenes, jet-set appeal with trendy locales and award-winning cuisine, and exploration of individual self-expression. With Mexico City by OPI, nails become a personal canvas and the collection becomes an artist's palette so users can CDMX-PRESS themselves with rich fashion-forward colors ranging from mint hues and energetic yellows to bold, floral shades of navy, purple and pink.

Painting an eclectic and rich color-scape, the Mexico City Collection includes forward-thinking and optimistic neo mint hues (**Mexico City Move-Mint and Verde Nice to Meet You**). Luminous yellows ranging from bright lemon to shimmering gold (**Don't Tell A Sol and Suzi's Slinging Mezcal**) and oranges including shades of cantaloupe (**Mural Mural on the Wall, Coral-ing Your Spirit Animal**) take on dimension and texture while deeper

tones evoke a saturated sunset with warmth and spirit (**My Chihuahua Doesn't Bite Anymore, ¡Viva OPI!**). Vivid colors in the collection are reminiscent of mesmerizing art intermixed with florals (**Telenovela Me About It, Mi Casa Es Blue Casa, Mariachi Makes My Day, Hue is the Artist?**).

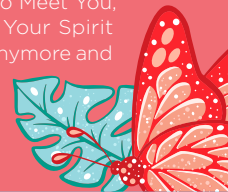

"At OPI, travel continues to be one of our greatest inspirations and the trends in travel, especially with the influence of millennials, are astounding," explains OPI Co-Founder and Brand Ambassador Suzi Weiss-Fischmann. "More and more people are putting greater value in travel and experiencing new cultures, so it was only a matter of time before we turned to Mexico City as one of the richest and most popular global destinations right now."

"With this collection, we looked to Mexico City's trendsetting street style, blending of old heritage and new urban feel, and passion and enthusiasm for art and design," adds OPI Global Director of Color Collections Jill Bartoshevich. "The end result is a fresh spring palette

with colors for everyone including soft pastels, energetic brights, and vivid floral tones. Telenovela Me About It -- a perfect bright pink-purple that we've seen reflected on the spring runways -- is sure to be a favorite of the season."

All 12 Mexico City Collection colors will be available in GelColor, Infinite Shine and Nail Lacquer formulas, offering consumers and professionals a variety of choices for the best products to fit their needs. GelColor provides a salon-perfect finish with up to three-week wear, while Infinite Shine offers a high-shine finish with up to 11-day wear and traditional lacquer application. Nail Lacquer features a highly-pigmented, rich formula for even application without streaking.

Additionally, six shades will also be made available in OPI's Powder Perfection dipping powders, which feature 14+ days of chip-resistant, durable wear and gel-like shine. A salon service, Powder Perfection offers consumers a no-light curing option with stay-true, non-yellowing color, quick application and easy soak-off removal. The six shades include Mexico City Move-Mint, Verde Nice to Meet You, Mural Mural on the Wall, Coral-ing Your Spirit Animal, My Chihuahua Doesn't Bite Anymore and Mariachi Makes My Day.
